Marco Houdek appointed to management of Apleona GeServ

Marco Houdek (41) has been appointed to the management of Apleona GeServ GmbH as of March 1, 2018. In this role, he assumes key account responsibility for a Germany-wide real estate portfolio of a major Italian insurance group. In addition to Marco Houdek, who works at Apleona's headquarters in Neu-Isenburg, the key account company's management team also includes Michael Beers.

Marco Houdek most recently held the role of Director of Corporate Development at Apleona and was responsible for key account management for a German real estate portfolio of an international institutional investor since 2015. At the same time, he managed the Business Planning & Reporting department at Apleona Real Estate Management since 2012. Marco Houdek has a property management degree from Dresden Administration and Business Academy as well as a degree in real estate and housing management.

On behalf of the Italian insurance company, Apleona has since 2009 been managing a Germany-wide portfolio of office and retail properties currently comprising around 370,000 square meters of space. Apleona Real Estate Management is responsible for technical and commercial management of these properties, management of letting activities and the resulting leasehold improvements, and coordination of facility management services.

About Apleona

Apleona is a leading European real-estate services provider based in Neu-Isenburg near Frankfurt. Approximately 20,000 employees in more than 30 countries operate, manage, expand and equip real estate in all asset classes, operate and maintain plant and assist customers in a whole host of industries with production and secondary processes. The Group's range of services extends from integrated facility management, building technology and interior fittings to real-estate management with all commercial services, letting, leasing and marketing of real estate. All services are provided on a modular basis or in an integrated package. In a regional or supra-regional account structure according to customer requirements, country-specific and service-specific operating companies ensure optimum performance and a uniformly high standard of quality across national borders. Apleona's customers include leading industrial companies, investment funds, insurance companies, banks, the public sector, developers, owners and users.
