

GEFMA 160 certification: Sustainability in FM

Making sustainability quantifiable. Apleona HSG Facility Management as your experienced partner for certification of your property to GEFMA 160.

GEFMA160 certification permits uniform, structured and objective assessment of sustainable operation – irrespective of building quality. All Facility Management processes in a building are examined and assessed according to the recognised PDCA cycle: Plan, Do, Check, Act.

Apleona HSG Facility Management will be by your side as an experienced partner for GEFMA 160 certification. Sustainability is a priority at Apleona HSG Facility Management and forms part of our corporate philosophy. This is why Apleona HSG Facility Management was actively involved in GEFMA 160 certification from the outset.
